

**Johnnie Walker Black  
Label Triple Cask  
Edition**

**40%**

This lighter, fruity, spicy whisky is not for peat lovers. Bourbon, whisky, and rum casks were used for finishing, resulting in a nose of rich honey, golden syrup, peach stone, apricot, honeydew, coriander seed, ginger, and white pepper. Citrus, butter fudge, dried and tropical fruits, rumbling spices, and tangy orange create a creamy combination, from which a familiar Johnnie Walker identity suddenly snaps into place.
