

**Mossburn Signature  
Casks Series Speyside  
Blended Malt**

**46%**

This is clever. Using Mossburn Cask Bill #2, the whisky has been finished in first-fill oloroso sherry butts with heavily toasted virgin American oak heads. The nose is intense: sweet barley, fresh oak, vanilla, pear, fresh apple, orange peel, and dry wood spices. Silky texture, with citrus, barley, coriander seed, pepper, aniseed, and clove, offering further waves of creamy vanilla, fruit Life Savers, and soft malty notes.
