

Colkegan Cask Strength Single Malt

59%

Mesquite-smoked New Mexico single malt. Rich and beefy on the nose: charred brisket, salted meat, tangerines, dark wood, brine, and white smoke. The palate is powerful, oak-forward without being astringent, and very spicy.

Walnut, cayenne pepper, and grilled citrus balance out the meaty, oaky flavors. Saddle leather, cherries, and even more smoke on the finish. Tangy, salty, spicy, and malty. A truly compelling American single malt with great structure.

—Vol. 27, #3
