

**Distillery 291 Single  
Barrel Colorado Rye  
Finished with Aspen  
Staves (Barrel #231)**

**50.8%**

Heady tropical aromas swirl out of the glass: orange peel, guava, hibiscus, sandalwood, cedar, and cinnamon. Fruit—papaya, nectarine, blueberry, citrus, and grape—shows up in force on the palate as well, tempered by oak and milk chocolate, pistachios, and dried flowers. The finish is long and gently spiced, with soft oak, cedar, and cocoa flavors. Distillery 291 bottles all its rye as single-barrel batches of about 55-60 bottles each.
