

The Tyrconnell 10 year old Sherry Cask Finish 46%

On the nose there are warm, grassy tones wrapped in a blanket of sherry, apple, and sultanas, with a tickle of fine white pepper, lemongrass, scented balms, and poppy seed cake. In the mouth there is apple, cherry, and honey nougat, backed by richer sherry fruits. The flavor develops steadily, with late additions of pepper coinciding with a confluence of sweetness and sherry notes. Baked apple sweetness on the finish.
