

The Tyrconnell Original

43%

Repackaged at a higher strength, the nose is grassy, with lemon zest, hints of apple and pear, vanilla seeds, almonds, and fresh florals. Light honey and summer fruits, barley notes, and vanilla, becoming juicier over time with base notes of whole spice, before serving up a lemon-and-honey lozenge finish. Very assured, this double-distilled single malt is a must for your Irish whiskey shelf.
