

**Jameson Bow Street 18  
year old Cask Strength**

**55.3%**

This whiskey finishes its maturation at Bow St., Dublin, the first time this former distillery site has been involved in any whiskey production since 1975. A beautiful balance between toffee, spice, and oak, this has aromas of concentrated citrus, polished oak tables, caramels, and nut brittle. A supremely smooth concoction of dark nutty toffee, vanilla, pepper, clove, and oak. The strength is epic. Fabulous, rewarding special occasion stuff.
