

The Famous Grouse Ruby Cask

40%

The port cask finish wraps the toffee and baked orange in an extra layer of richness. There is subtlety in the aroma of the port notes, with red cherry and dried cranberry mingling with well-integrated spices in the background. Richer dark caramels infused with red fruits, including cranberry, red currant, and pomegranate, chased by feisty spices. The finish has concentrated red fruit juices, nougat, and long-lasting spices.
