

Old Pulteney 18 year old

46%

This replaces the 21 year old expression. Initially matured in bourbon and second-fill American oak casks, and then in Spanish oak oloroso butts. Rich, warming aromas of cinnamon, honey, oak, and milk chocolate. The chocolate darkens on the full palate, with contrasting ripe pears and crème brûlée. A hint of brine, along with citrus fruits and light oak in the lengthy finish.
