

Highland Park 50 year old

42.5%

The nose of this veteran is hugely enticing; rich, with old leather, soft spices, sultanas, figs, polished oak, and dunnage warehouses. Tangy orange develops in time. The orange carries over onto the palate—amazingly vibrant and youthful fruitiness—followed by soft toffee, woodsmoke, and a sprinkling of dusty oak. The finish is extraordinarily long, with licorice and fruit-laden old oak. A true classic! (77 bottles in U.S.)
