

**Compass Box The Story
of the Spaniard**

43%

Nobody was expecting this Spanish proposition, as the inquisitive John Glaser adds the first new permanent addition to the range in many years. Its chief weapons are Spanish red wine, spiced orange, cranberry, redcurrant, and ristas of dried red chili pods hanging in doorways. The ruthlessly efficient palate has red wine notes, spicy chili heat, and an almost fanatical devotion to the pepper. Pour a glass and fetch the cushions.
