

**Four Roses Single  
Barrel (Barrel #29-50)**

**50%**

This big, sweet, warming bourbon strikes all the right chords. Sizzling sweet corn meets generous oak, like dusty old books, but the bright peach nectar, wet walnuts, and vibrant spice beam through in abundance. Unctuous and concentrated on the palate, it evokes cinnamon-dusted peach pie, with hints of clove and pepper on the finish. A solid and seamless whiskey, with fruit, floral, oak, and spice in perfect harmony.
