

**Belle Meade Cask  
Strength Reserve  
(Batch No. 5)**

**56.8%**

Oak, corn sweetness, and tropical fruit collide in this powerful bourbon that suggests grilled pineapple and charred corn on the cob. It handles the proof well, but be prepared for a no-holds-barred tongue lashing of licorice, bitter citrus pith, and oak, before a heaping spoonful of butterscotch pudding quells the heat. Reveals even more flavor with water—blueberry muffin, clove-studded orange, and cedar shingle.
