Release (Batch 1)**

**56%**

Sweet scents of maple syrup, creamy vanilla, caramel, and rich chocolate start things off, enlivened by notes of pepper, orange peel, and bread spice. A chewy palate tastes of dark chocolate, cherries and plums, cinnamon and layered spices of ginger, white pepper, cinnamon, and cloves. A similarly spicy finish is balanced by plums and berries, dark chocolate, and oak. A balanced, dessert-like whiskey with beautiful sweet notes and much more.

—Vol. 27, #4
