

**New Riff Bottled in  
Bond Bourbon**

**50%**

Fresh and delicate on the nose,  
with stone fruit—especially  
peaches—white pepper, orange  
Creamsicle, and spice. A generous  
oak backbone provides the  
foundation for plums, nectarines,  
black pepper, clove, chamomile  
tea, and piney cedar that sweeps  
into a dry oak, cocoa, iced-tea  
finish. Although a bit hot at times,  
the balance and array of flavors is  
an outstanding coup for this young  
distillery.
