

Woodinville Straight

100% Rye

45%

Peach, blueberry, candied raspberry, and lime lead the way, with marzipan and a background of peppery spice aromas set artfully against soft, subtle wood. A mouth-filling palate offers lemon and raspberry, along with ginger, cinnamon, chocolate, and honey.

Water coaxes tropical notes of melon and pineapple. The finish is peppery, with caramel and chocolate flowing over pleasant oak overtones. A rye that strikes an excellent balance between fruit, sweetness, and spice.
