

Woodinville Straight Bourbon

45%

Black pepper and toasted oak on the nose mingle with deeper aromas of blackcurrant and strawberry preserves. The palate is smooth, showing flavors of vanilla bean, coconut, peppermint, and cinnamon. Dark chocolate emerges on the back palate, along with pepper and tobacco leaf. The finish is long, revealing maple syrup, caramel, and brown sugar. Five years of aging have created a solid, well-constructed bourbon that has impressive depth and complexity.
