

**Cadée Deceptivus
Bourbon**

42.5%

Soft oak, brown sugar, and a back note of iron start things off, followed by hints of corn muffin, red candy, and a subtle note of dried red fruit. The palate leads with vanilla rice pudding, a light note of orange peel, milk chocolate, and green apple. It's creamy, light, and sweet, with baking spice enlivening the chocolate. The finish is lengthy, ending with vanilla icing and a buttery note.
