Perfect for drinkers with a Goldilocks complex, this falls between the lemon-favoring 12 year old, and the richer, sherry finished 16 year old, with a nose of sweet mandarin, tropical fruits, fruit pastries, warm banana muffin, barley sugar, and forest honey. Bold, attention-grabbing flavors of orange, honey, vanilla, dried ginger, pepper, and jam-slathered pastries, with caramel, ground almond, and a tantalizing, zesty grapefruit bitterness toward the end.
