

Kavalan Distillery Select

43%

With two distilleries now on-site,
the new Kavalan has a nose of
apple and cinnamon pie, loaves of
bread, new hardback books,
flashes of lemon peel, and mild
spices that flatter the baked fruits.
A lighter structure, with pleasant
green apple and pear notes, a
tingle of pepper and allspice,
becoming creamier with the flavor
of sherbet flying-saucer candy.
More active spices on the finish
amid fading fruits.
