

**Laphroaig Original Cask  
Strength 10 year old**

**57.3%**

Pungent and medicinal in personality, with gobs of peat, tar, iodine, brine, and seaweed. These are all good things.in case you were wondering. A gentle vanilla sweetness tries to tame this savage beast, but it is no match. One of the most challenging-yet rewarding-whiskies in the entire world. What Cantillion Lambic is to beer, Laphroaig Original Cask Strength is to whisky.
