An array of flowers and fruits  
tumbles from the glass: lilacs,  
orange blossom, lemon oil,  
raspberry, blueberry, shelled  
walnuts, and a hint of licorice.

Very light-bodied, but with  
entrancing candied citrus peel,  
bubble gum, and strawberry candy  
flavors, along with sherry cask  
notes of walnut, hazelnut, milk  
chocolate, raisin, and ginger.

Sweet oak and berries on the  
finish, which is light but lengthy.
