

## Four Roses 13 year old 💌

Barrel Strength
52.1%
A single barrel offering to celebrate Distillery Manager Jim Rudtledge's 40 years in the industry. Day betaging the industry. Dry, botanical, and teasingly complex, with bright fruit, crisp spice, and complex oak. Its dryness is prevalent throughout-the maturity is evident-but never excessively so, and there's always a soft interplay of honey and vanilla. A very elegant whiskey.
