

**Ainsley Brae Oak Cask  
Matured Highland**

**40%**

The scents of a forest floor—dried leaves, old pine needles, twigs—mingle with stewed fruit, biscuity malt, lemon oil, and rose petal soap. The palate is light and candy-sweet, like strawberry jelly beans, candied rose petals, and sugar cookies tinged with cinnamon. Youthful and very light, but pleasant. (*Total Wine & More*)
