

**Trader Joe's Bourbon  
Cask Finish Highland** 

**40%**

On the nose, spiced plums, cinnamon, clove, ginger, and cooked fruit mingle with seawater and a waft of guava. A tug of war between sweet—orange oil, cookies with lemon icing—and spice—cloves, dried ginger—resolves into a finish of milk chocolate with a hint of hookah tobacco. This is light and a bit hot, but its perfumy character shows well. Finished in first-fill bourbon barrels. (*Trader Joe's*)
