

**Kirkland 4 year old**  
**40%**

The first whiff is that of a garden tea party: geraniums, potting soil, and floral and grassy aromas mingle with apple peels, toasted coconut, and vanilla. In the mouth, it's very light, although the flavors that are present are enjoyable: vanilla cupcake, lemon muffin, toasted almonds, and a hint of coconut. Simplicity that lends itself to easy drinking. (*Costco*)
