

Laphroaig 28 year old 

44.4%

Aged in quarter casks, bourbon barrels, and sherry butts for 27 years, then finished in sherry casks. Red apples and honey on the nose, where the characteristic Laphroaig phenolic attack becomes muted with time. Dried fruit, malt, and vanilla on the palate, along with subtle notes of iodine and warm tar. Developing brine, dark chocolate, and licorice leading into a dry, smoky, peppery finish.

—Vol. 28, #1
