46%

This expression has been finished for an unspecified period in first-fill bourbon barrels. The nose is floral, with gentle spices, honey, developing mangos and apricots, with vanilla ice cream, plus coconut. Sweet and smooth on the palate, with tropical fruits, more vanilla, and honey, plus old leather, and developing plain chocolate. The finish is long and drying, with slightly astringent oak and wood spices. (600 bottles for the U.S.)
