A blend of straight bourbon and bourbons finished in red wine and sherry casks. Lovely grain aromas, especially of porridge, along with cinnamon, clove, baked apple, citrus oil, honey-roasted peanuts, spearmint, and milk chocolate. Nuttier grain on the palate, which is led by red fruit, caramel, and lively spices: black pepper, cinnamon, allspice, candied ginger. Citrus oil, walnuts, and a bit of cigar tobacco lead into a nutty, somewhat light finish. The whiskey was distilled by Jim Beam master distiller Fred Noe and blended by Suntory master blender Shinji Fukuyo.
