

McKenzie Bottled in Bond

50%

Pineapple rings, lemon and orange wedges, and brown sugar aromas offset fresh pine and a bundle of herbs: basil, tarragon, fennel. The chewy palate is herbal and savory, with licorice, dark chocolate, roasted cherry, and plenty of oak, yielding to pineapple, orange, and lemon on the finish. The bump-up in proof from its non-bonded sibling bourbon yields nice results when adding water, which softens and expands the flavors.

—Vol. 28, #1
