

New Riff Bottled in Bond Rye

50%

An edgy and energetic rye: fresh, grassy, and herbaceous, with orange, cedar, clove, sassafras, and gingerbread cookie. Dense and chewy, it has an unfurling parade of flavors: orange, cedar oil, berries, oatmeal cookies, cinnamon candy, pepper, pecans, and clove gum. Add a few drops of water and the profile shifts to highlight the herbal notes, along with mouthwatering oak, pecans, citrus oil, and chocolate. Lengthy and well-spiced finish. Take the time to get to know this whiskey: it'll reward you.
