

Driftless Glen 51 Rye

51%

Driftless Glen Distillery's third rye expression, named for its 51% rye mash (compared to 74% in their core rye) as well as its 51% ABV. The nose has notes of orange peel, apricot, fragrant oak, bitter chocolate, burnt sugar, ginger, mint, and citrus oil. A rich, spicy palate offers more chocolate, as well as chili powder, tarragon, and cigar ash. A long finish of tobacco leaf, chocolate custard, and cinnamon.
