

**Coppersea Bottled in
Bond Bonticou Crag
Straight Malt Rye
50%**

A bottled in bond sequel to the 48% ABV Bonticou Crag Straight Malt Rye whiskey, this second Empire rye from Coppersea Distilling is made from 100% Hudson Valley rye. A whiff of new wood yields to complex notes of blood orange, iced tea, cinnamon, cloves, and red candy. A palate of allspice, mint, white pepper, and orange peel is followed by a spicy, herbaceous finish that also offers citrus, chocolate, and a hint of tobacco.
