Cutter**

**48%**

Expressively aromatic, with orange, chai spices, incense, spearmint, and Juicy Fruit gum, buttressed by earthy moss and cedar. Equally vivid flavors of dry oak, pepper, cinnamon Red Hots, dried orange peel, orange pekoe tea, and chili-chocolate, but it loses steam on the finish. Water tames some of the brasher qualities without dampening the liveliness.

—Vol. 28, #1
