

Stone Breaker Blended Whiskey

46%

From Restless Spirits of Kansas City, Missouri, a blend of 4 year old Irish whiskey and their own-make pot still whiskey. A gentle nose of pine bough, fennel seed, citrus oil, licorice, and potpourri, with a veneer of lemon candy. The palate tastes young but sweet and creamy, blending vanilla, bitter orange, and spicy pepper with a raisiny Chunky bar note and chocolate-covered almonds. Finishes with more chocolate, orange, and a subtle nuttiness.
