#2
40.4%

A delightful fruity specimen, with lime, Asian pear, grapefruit, tangerine, mango, melon, taffy, and a hint of white pepper. More tropical fruit notes to enjoy on the tongue: papaya, dried melon strips, passion fruit, melon, and fruit syrups all floating along on a slick of gooey caramel. Continuity of the fruit-bomb theme continues into a finish of fleshy stone fruits infused with a sprinkle of gentle spices. (3,850 bottles)
