

Glen Moray Fired Oak 10 year old

40%

To create Fired Oak, Glen Moray spirit has been matured in bourbon casks for almost a decade, before a 10 month finish in heavily charred virgin American oak casks. Canned pineapple, honey, and vanilla on the nose, with a hint of lemon. An initial citric zest on the palate, then soft toffee, newly sawn timber, cloves, and cinnamon. Licorice, lively spices, and slightly smoky oak in the medium-length finish. £40
