

### J.P. Wiser's Triple Barrel Rye

45%

Begins light on the nose with clean grain, then spring flowers and persistent, strong blackberry notes move in. Wonderfully balanced, even as blackberries remain strong across the palate, accented by tart kiwi fruit and rich spices: ginger, cloves, nutmeg. Fruits and spices complement each other as the round, creamy palate fades into a long, hot, peppery finish. Beautiful whisky exclusive to the U.S., and fruitier than the 43.4% Canadian version. *Best Value*
