

Madoc Single Malt

46.1%

Grain takes center stage, showing itself in a restrained, sweet manner: aromas of marzipan, oatmeal cookies, Jordan almonds, crushed peanuts on an ice cream sundae, and caramel. The palate is consistent, offering almond croissant, sugar cookie, vanilla pudding, light caramel, and a creamy mouthfeel, finished off with supple oak, caramel, and almonds. Made in Patagonia, Argentina. 2,500 Argentine pesos; Argentina only
