Smoke acts as an emulsifier of fruit, nut, and oak flavors in this deceptively delicate whisky.

Toasted marshmallows, pound cake, crème brûlée, cinnamon Red Hots, and earthiness on the nose; water brings out candied pineapple. Sweet smoke and tropical fruit are well-integrated on the palate, with salty and mouthwatering flavors of grilled fruit and blueberry jam. Over time, more oak and nuttiness emerge, wafting into a gentle burnt marshmallow and toasted-walnut finish. 1,083 bottles
