

**Doc.52 9 year old  
Straight Bourbon**

**53%**

Prepare for sensory overload. Aromas of peanut butter blossom cookies, molasses, creamed corn, iced tea, cassis, and marmalade hint at the decadence of the palate, which is mouth-filling and chewy. Its flavors hit all the high points of outstanding bourbon: big and bold grain, chocolate, wet walnuts, orange and cherry Jello, nutmeg, cinnamon, white pepper, tobacco leaf, and waves of oak. Nuts, nuts, and more nuts on the finish, with espresso, chocolate, and drying oak. Sourced from an undisclosed Tennessee distillery. 186 bottles; *Doc's Wine, Spirits &*
