

Sierra Norte Single Barrel Yellow

45%

Master mezcalero Douglas French captures the flavor of native Oaxacan heirloom corn in this unique and singular spirit—the first single-barrel Mexican whisky available in the U.S. Distilled in San Agustín de las Juntas, each of French's trio of whiskies uses a single variety of ancestral corn that requires hand-harvesting, promoting jobs in traditional farming. Aged for a mere 10 months in French oak, Yellow has swirling notes of blue iris, dried chilies, and fresh linen around a core of plump corn, with tangy marmalade, maple syrup, pepper, and a spiced-honey finish.
