Intense, flavorful, and lush. The nose has roasted chestnuts, coconut shavings, leather, butterscotch, carrot cake, candied nuts, maple syrup, and pastry cream. It's well-textured and drenched in flavor: blackberry jam, dark chocolate, mint oil, maple syrup, roasted nuts, root beer, clove, white pepper, toasted coconut, and cherry cough drops. Wet walnuts, oak, and lingering intensity on the finish. Add water to unlock more spice and fruit, and give it plenty of time to develop.
