A fruit-driven nose offers scents of apple, bananas, coconut, and poached pears, in addition to sweeter notes of red licorice, almond, sweet iced tea, and clove. The palate is quite different—hot and spicy—accompanied by notes of dark chocolate, espresso, and oak tannin. The finish turns rich and chocolaty, with honey, cherry, watermelon jelly fruit slices, cigar box, coconut, peach, cherry, and aromatic oak. Much on offer here, though it needs proofing down.
