

**Four Roses Single
Barrel (Barrel #55-6F)**

50%

A lively bourbon, with bright fruit, honeyed vanilla, and fragrant floral notes. Lean on the palate, with a firm, dry, spicy finish. A youthful whiskey that skips along until the finish. It doesn't have the thicker, sweeter mid-palate like Barrel#87-6L reviewed here. As a result, its finish is firm, and crisply dry. (Bottled exclusively for The Party Source.)
