

**Devils River Small
Batch Texas Bourbon**

45%

The nose begins with lemon and lime, followed by notes of licorice root and dill. The palate is smoother and sweeter, if a bit light, with notes of cherry, chocolate, cinnamon, and new oak. The addition of water reveals flavors of orange pekoe tea, peanut shells, a richer note of chocolate, and a dusting of chili powder. Some barrel influence on the palate, but the finish concludes with chocolate, sassafras, and bitter almond oil.
