Orange, mango, strawberry candy, and licorice on the nose, while water brings out watermelon, more mango, and a soft wood note. A light palate offers fruitcake, orange, blackberry, chocolate, almond, gingersnaps, tobacco, and cedar spice. A finish of vanilla, orange, and more tobacco, with water bringing out hot chocolate, orange, burnt espresso beans, and drying oak. Orangey and tropical at the outset, but also deep and nutty, particularly on the finish.
