

**High West Bourye
(Batch #18K01)**

46%

Harmonious and symphonious throughout, starting with the nose of cooked cherries, sarsaparilla, spearmint, clove, cinnamon, dill, maple syrup, tobacco leaf, and loads of oak. The chewy, broad palate yields bowls full of cherries and blueberry jam, along with roasted peanuts, dark chocolate, white pepper, spearmint oil, cinnamon, and dried chili. There's more chili, bittersweet chocolate, dried blueberries, and lengthy oak to finish.
