

Powers Three Swallow 

43.2%

Rich dried fruits, candied peel, dried apricot, mango strips, white pepper, herbal notes, almond paste, and sweet grapefruit flesh—this has signature notes of Powers all over it. Thick and velvety, there's warm marmalade, sugared almonds, golden barley, citrus, and green apple. It's all quite mellow until the spices work themselves up into a bit of a frenzy. Long fruity finish, with toasted coconut and a luscious, billowing spiciness.
