

Gouden Carolus Single Malt 

46%

Produced at the De Molenberg Distillery from a mash of Gouden Carolus Tripel beer and finished in

Anker beer casks following bourbon-barrel maturation. This has aromas of peach, barley, marshmallow, light toffee, hops, and warm apple pie, with dry and fragrant spices. Melon, overripe pear, white chocolate, vanilla pod, cinnamon stick, baked apple, dried orange, oak, and spices on the palate; the unfolding flavors are generous and strong.

—Vol. 28, #2
